

30 November 2018 - 9:00am

Date: Friday 30th November 2018

Location: Engineers Australia, The Auditorium, at 3/8 Thomas St, Chatswood NSW 2067

The proposed speakers in the morning session are from the legal industry, Harvey Cooper (retired judge) and Hasti Kalarostaghi (Partner, Hunt & Hunt).

The proposed speakers in the afternoon session are three CIRCEA members from diverse and complementary professional backgrounds (including structural, geotechnical and heritage engineering). Each of the speakers has experience with dilapidation surveys, including the assessment of damaged and undamaged structures, what dilapidation reports are for and how they are typically used, and suggested methods of documentation and reporting.
